

Outcomes for Carers

VOCAL has put in place the following eight global outcomes to measure the impact of carer support across all services provided by the organisation

- Carers will report being better informed about issues linked to their caring role
- Carers will report improved confidence in their ability to shape services and support
- Carers will report improved confidence in managing their caring role
- Carers will report improved physical and mental wellbeing
- Carers will report improved confidence in their ability to deal with the changing relationships resulting from the caring role
- Carers will report improved social wellbeing
- Carers will report improved economic wellbeing
- Carers will report improved personal safety in relation to their caring role
